

"Neo Club" Business System for Entrepreneurs

**Welcome to the presentation dedicated
to the opportunities of**

**"Neo Club" — a business system
designed to scale your enterprise and
increase your income.**

**We will explore the key features,
advantages, and operational
mechanisms of this unique matrix
model.**

Business Platform Neo Line

The beginning of Neo Club marketing system is Neo Line — a single platform with a linear marketing structure and no limits on the first line. The cost of a business position is **150\$**.

Income: (\$150+)

- For the first closed position, you receive **\$150** to your wallet.
- After closing the second position, you are automatically moved to the second part of the **Neo Start** program for **\$150**.
- For each subsequent closed position, you receive **\$150** to your wallet.

Note:

If you already have a position in the first **Neo Start** platform, closing the second position will result in the funds being credited to your wallet.

First Business Platform Neo Start

Second part of the program **Neo Club**.
The cost of a business position is **150\$**.

Income: (\$200)

- For each closed position, you receive **\$50** to your wallet.

Transition to the next platform!

The full closure of positions in the second line generates a total of **\$400**, which is automatically allocated to open your second business platform.

Second Business Platform Neo Start

The cost of a business position is **400\$**.

Income: (\$600)

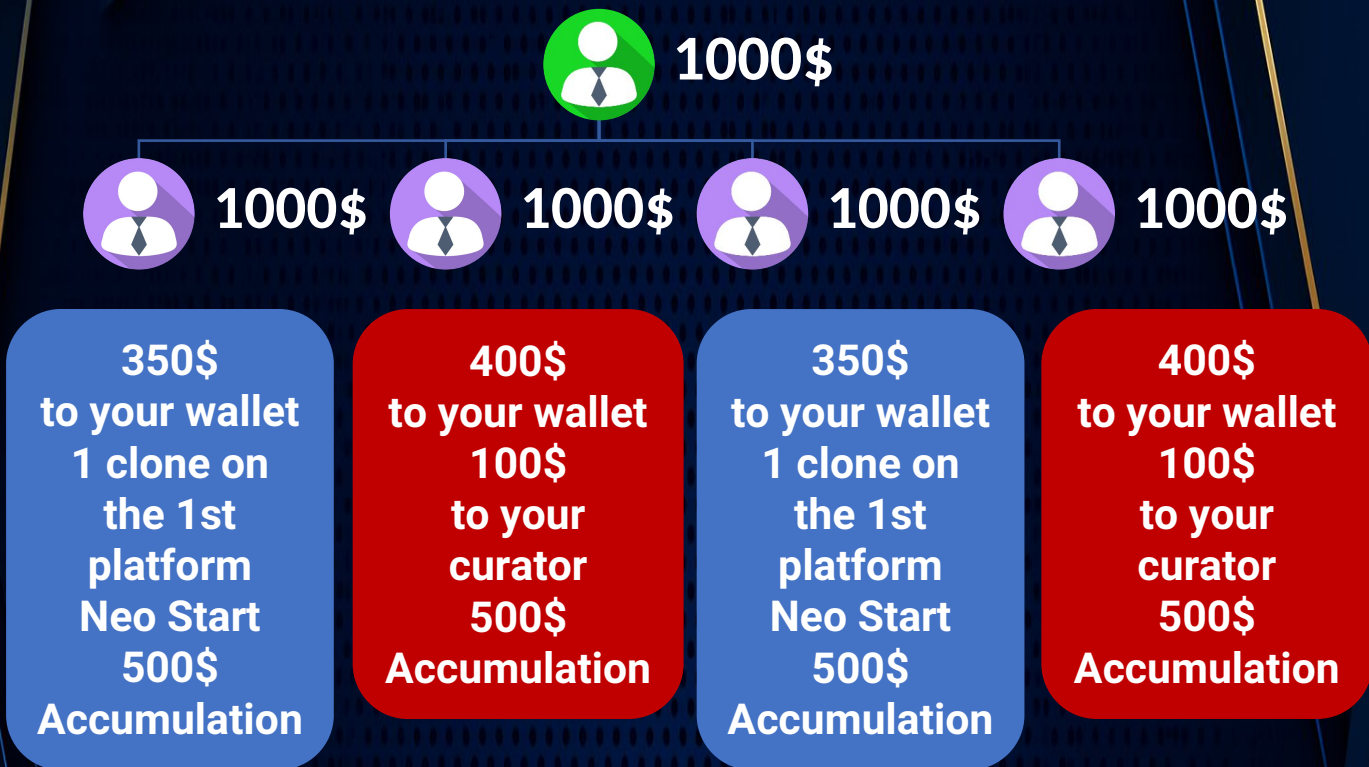

- For each closed position, you receive **\$150** to your wallet.

Transition to the next platform:

The full closure of positions in the second line generates a total of **\$1,000**, which is automatically allocated to open your third business platform.

Third Business Platform Neo Start

The cost of a business position is **1000\$**.

Income: (\$1,500)

- Closing the 1st and 3rd positions brings: **\$350** to your wallet and 1 clone to the first Neo Start platform.
- Closing the 2nd and 4th positions brings: **\$400** to your wallet and **\$100** to your mentor.

Transition to the next platform:

The full closure of positions in the second line generates a total of **\$2,000**, which is automatically allocated to open your fourth business platform.

Fourth Business Platform Neo Start

The cost of a business position is **2000\$**.

Overall Income Summary from a Single Business Position

This table demonstrates the earning potential and growth of your structure from a single main business position as you progress through all six levels.

Platform	Income	Clones	Referral bonuses
1 Neo Start	200\$		
2 Neo Start	600\$		
3 Neo Start	1500\$	2	200\$
4 Neo Start	2800\$	4	200\$
1 Neo VIP	6000\$	8	400\$
2 Neo VIP	16000\$	12	1200\$
3 Neo VIP	45000\$		
Total:	72 100\$	26	2 000\$

\$72,100 in direct income, **26 new “clones”** to strengthen your structure, and **\$2,000** in referral rewards — this is your result from one main business position, excluding clones.

Marketing Features of "Neo Club"

"Neo Club" offers a unique approach to doing business. We have brought together the key features that set our system apart.

Matrix-Based Business Model

The foundation of the system that ensures a clear structure and predictable growth.

Automatic Duplication of Business Positions

"Clones" that expand your structure and generate additional income.

Business Structure Management System

Tools for effective control and optimization of your team and platforms.

Linear + Tetra

A combination of linear and classic marketing.

Marketing Features of "Neo Club"

Structure management

The built-in function allows you to strategically direct the flow of partners and clones to close the most priority positions on the platforms.

Flexible Expansion Opportunities

- The ability to purchase additional business positions at your discretion.
- You can start working from any platform within the marketing system.
 - "Next Position" feature.

Additional options

A one-time \$5 fee for system development.
